

"A New Covenant"
Genesis 6:14-22

v. 14 Q. What was Noah commanded to do?

A.

Note: This noun can also be translated, "_____, "chest,"
or "_____." Cp. Ex. 2:3 (Moses' reed basket).

Q. Of what material?

A.

Note: Apparently Cypress wood would be a common building
material for _____. Cp. Ezek. 27:5-6

Q. What else was Noah to do?

A.

Note: The rooms would be for all kinds of _____, for animal
pens, and for residential areas.

Q. And one more thing....

A. _____ it. Coat it with pitch inside and out. (Same as
Moses' basket).

Note: The word for "pitch" is close to the Hebrew word for "_____"
or "to cover."

Q. There were several other ways that God could have saved Noah and his family. Why build an ark?

A. As a public witness and opportunity to call people to _____.

v. 15 Instructions for the ark:

Note: A biblical cubit was the length of distance from a man's elbow to the end of his middle finger or approximately _____ inches.

Q. How long? 300 cubits or _____ feet (4.5 football fields)

Q. How wide? 50 cubits or _____ feet (average height of a grain leg)

Q. How high? 30 cubits or _____ feet (average height of a hay barn peak)

v. 16 Q. What three other descriptions are given?

A.

1. Make a _____ for it.
2. Make room for 18-inch _____ all around just under the roof.
3. Make a _____ on the side.
4. Make _____ interior levels.

v. 17 Q. What did God remind Noah of? Cf. Ps. 29:10

A.

Q. Was it to be localized or world-wide?

A.

v. 18 Q. What does God offer Noah?

A. A personal _____ (promise) that he and his family will be saved.

Q. Who benefited from his righteousness?

A.

Note: It is important to note that nothing is said about the _____ of his wife, sons, or daughters-in-law. In fact, we will see that at least one of his sons is anything but righteous and his progeny becomes cursed. Through one man's personal _____ to follow God, he saved his whole family.

Q. What does this say about the importance of personal influence?

A.

v. 19 Q. What was Noah expected to do?

A. To bring into the ark all the creatures that God would direct his way to keep them alive. _____ would bring them: male and female.

v. 20 Q. How will this take place?

A.

Note: Male and female for _____. Kinds not _____. This is referencing the beginning of creation. The cat kind. The dog kind. The sheep kind, etc...

Note: *Answers in Genesis* estimates that there were fewer than _____ kinds of air breathing animals on the ark. And in all probability, they were _____. This would have resulted in easier handling, easier care, less food, water, and waste.

v. 21 Q. What was Noah's other responsibility?

A. Gather _____ for themselves and the animals.

v. 22 Q. What characterized Noah?

A.

Q. Look at Hebrews 11:7. What other characterization is cited?

A. Noah was a man of deep _____ who reverently _____ God.

Q. What do we learn about God from this passage?

A.

Q. What do we learn from Noah from this passage?

A.
